Important Alert Did You Know ?

You have a right to choose how and by whom your vehicle is maintained and repaired. You do not have to take your vehicle to the new car dealer to maintain your manufacturer's warranty.

Magnuson - Moss Act 1975

Title 15, Chapter 50, Section 2301-2312 Federal Code.

The Federal Trade Commission says it's illegal for a dealer to deny your warranty coverage simply because you had routine maintenance or repairs performed by someone else.
