

Do You Want to Know How to Get \$638 Worth of Auto Repair For \$100? Join Our Car Care Club!

We know buying a car is expensive, and unfortunately maintaining that car to keep it in peak running condition, can be expensive too....that is until ...now!

We are really excited about a program we call "Car Care Club!"

We have formed this Club to help you save hundreds of dollars on many of the auto repair services that you probably need over the next year in order to properly maintain your car.

You're NOT limited to using your discount card on only one vehicle, or only one service per visit! Even if you're driving a newer car and may not need all of the services on the card, you can share it with family members and let them use it to save money on any repairs they may need.

Why are we doing this?

Well, quite frankly, advertising is getting too darn expensive. We'd rather bundle many of the services that you're going to need over the next year and put them on one discount card. That way, the next time you need service, you won't have to go searching through the mail to find the best coupon. You'll already have the **Car Care Club Card** with the best specials, right in your glove box.

We love to see our clients coming back again and again. We've found that we can do a better job repairing and maintaining your vehicle if we get to see it every few months, when you get your oil changed and possibly discover that worn belt or cracked hose before you get stranded on the side of the road.

Maintaining your car keeps it safe and dependable, maintains a higher value, lasts longer, and saves you money in the long run. The **4 Free Oil Changes** alone would cost more the Car Care Club Card.

For more information call 614-833-0792.

The "*Car Care Club*" also makes a great gift for
that someone you truly care about !
