

# Brakes for Breasts

During the month of **October** we are giving away **FREE** quality **brake pads or shoes**. All you pay for is the labor and any other necessary parts. 10% of these proceeds will go towards research for the Cleveland Clinic Breast Cancer Fund. Our group of auto repair shops from across the country have set a goal to raise over \$100,000.00 in proceeds! This fundraiser will end October 31st. Since 2011, Brakes for Breasts has raised \$606,709.99 and 100% of those proceeds went to research for the Cleveland Clinic Breast Cancer Vaccine Fund. Last year alone, 114 independent repair shops across 34 states raised \$114,389.20. Our goal this year is to have 200 shops participating. After 14 long years we are very close to bedside trials, hopefully by the end of 2018. Brakes for Breasts is run solely by volunteers supported by the independent repair community across the country. It's a true grass roots effort, with every penny being donated to research.

**P.S. Please pass this along to all of your friends! We need everyone's support.**
